Christians Globally Effecting  
Missions Strategy is a non-profit  
organization dedicated to helping  
churches become more involved  
in obeying the Great Commission.

Statistics tell us that over 2 billion people in the world have not yet heard the gospel. Some may be in our own community, but most are in far-off lands with cultures & religions very different from our own. They are housed in the 10/40 Window and lack a strong indigenous church to evangelize their own. Jesus challenged us to pray that God will send out workers into His harvest field (Matt. 9:37-38; Luke 10:2; John 4:34-36). Please join us for this exciting time of Prayer, Worship and More. Breakout sessions will be held to teach more about the unreached, what the Lord is doing today and how we can reach the LAST FRONTIER!
